# CAR VALET CANOPIES & WASH BAY WALLS

**ANY SIZE. ANY COLOUR.  
REALLY SMART ENGINEERING!**

Car valet canopies and wash bay walls designed, manufactured and installed is an ideal solution for professionally valeting vehicles. Our design incorporates an uninterrupted span that allows great access around cars and vans with cleaning equipment and machinery. The wide span also allows vehicle doors to be opened to assist with interior cleaning without restriction.

Our car valet bay canopy offers protection for the elements 365 days of the year. So no matter what the weather, you can provide the best service to your customers. You can also be sure that you are protecting your staff underneath the canopy so that they can provide a professional finish for you and your customers.

[Click to watch our Valet Bay \(animation\) video](#)

**All of our solutions come complete with:**

- ➔ Standard or tailored design
- ➔ STRONG! steel construction
- ➔ Hot dip galvanised for the ultimate protection
- ➔ Optionally the structure can also be powder coated (to your specific RAL colour)
- ➔ Glazed with long lasting structured polycarbonate
